Welcome to the Mongrel Tate website

"Uncomfortable Proximity" is the title of this on-line project created by Harwood, a member of the Mongrel collective. Commissioned by Tate National Programmes, it mirrors the Tate's own web-site, but offers new images and ideas, collaged from his own experiences, his readings of Tate works and publicity materials and his interest in the Tate Britain site. Related critical texts by Matthew Fuller are in the Connections section of the Tate web-site".

Sandy Nairne, Tate Director of National Programmes .
