A day in the life of Mohammad Muslim. Morning Delivery

Colaba, May 2007

Mohammed Muslim lives in Colaba and moves around on his bicycle delivering bread and plastic bags. His beat stretches from Navy Nagar, the southern most tip of Bombay, to Mohammed Ali road and Dongri. We spent a day with him documenting his daily movement patterns. Here he begins his second round of deliveries for the day, going to colaba market, machimar nagar, Colaba, (fishing colony) and Geeta Nagar slums. Since he sells plastic bags, a few shopowners seem vary of the camera, of 'media' folks. Most trust him, but he senses some tension and tells us later, that we should avoid the bags and maybe just focus on bread deliveries. We agree.
